La Plata senior care biz earns award

Options For Senior America in La Plata has been selected as one of the 2017 Best of In-Home Care Award winners on SeniorAdvisor.com, a ratings and review site for senior care and services in North America, according to a news release.

The annual SeniorAdvisor.com Best of Awards tabulates over 130,000 family created reviews to find the best quality care providers for this honor. Of the nearly 200,000 communities currently listed on SeniorAdvisor.com, just over 1,400 were recognized with this prestigious award.

Options For Senior America is the only in-home care winner in La Plata and regularly receives highly positive reviews from its families like this one: "I like the knowledge and professionalism of the caregiver, Imani. The quality assurance visits are beneficial and the overall quality of Options is excellent."

"We are humbled and grateful to be recognized with this award for the second year in a row. It is recognition like this that keeps us trying to continuously improve our service to the community. We thank SeniorAdvisor.com and A Place For Mom for their continuous effort to provide a medium for feedback on this very important service that we offer our seniors" Ramzi Rihani, president and CEO of Options For Senior America, said in a news release.

Sam Rihani, Chief Operating Officer, added, "Our care providers and office staff are delighted to receive this prestigious award as it reflects the appreciation, by those we serve, of the group effort that is exerted by Options on a daily basis to provide the kind of service our families have come to expect."

To qualify for inclusion in the Best of 2017 Awards, providers must have maintained an average overall rating of at least 4.5 stars while receiving three or more new reviews in 2016. Additional details and a complete list of award winners can be found on SeniorAdvisor.com.
